

Declaration of Harmlessness

Declaration concerning the decontamination and cleaning of equipment and components

In order to protect our staff, we have to ensure that all equipment and components from customers with which our staff come into contact do not harbor any biological, chemical or radioactive contamination. We can therefore only accept an order if:

- The equipment and components have been sufficiently **CLEANED** and **DECONTAMINATED**.
- This Declaration has been filled out, signed and returned to us by an authorized person.

We thank you for understanding that these measures are necessary to ensure our staff have a safe, non-hazardous work environment.
